Dear Friend of The International Synagogue,

As Rosh Hashana, the upcoming Jewish New Year approaches, we turn to you to support us in the vital work we are doing on behalf of the Jewish community. The International Synagogue is a most unique, distinguished and celebrated Jewish institution. We are the only synagogue in the world, abutting other faith communities, located at a major travel hub JFK Airport that sees more than 62 million visitors and has some 40,000 employees. We welcome travelers from all over the world and minister to the spiritual needs and many other functions at this large airport.

Among the many programs we sponsor are art and essay contests for kindergarten through high school students throughout North America promoting Jewish pride and love for Israel: hosting youth groups, yeshivos and seminaries and thousands of students on their way to Israel and other destinations; a plethora of services rendered to airlines and airport agencies including seminars introducing the range of customs and concerns of Jewish travelers; a place for minyanim, prayer services and for reading, relaxing, meditation; lunch and learn programs; holiday celebrations; counseling and interventions for travelers in difficulty; in the works, a museum of Jewish travel; virtual trip to Israel for senior centers and other groups; and so much more.

Consider the global impact of The International Synagogue and our particular and singular calling, making us a one-of-a-kind institution at JFK Airport called "The Gateway to the World." It is with your generous contributions that we maintain our sacred work, and in that merit may G-d grant you and your loved ones a year of health, physical and spiritual abundance and overflowing happiness.

Shana Tova - Happy New Year
